## LEAFLETS

We can supply leaflets (up to 200) for you to distribute in mailings and to hand to customers, please order these on the enclosed form or email [info@ichf.co.uk](mailto:info@ichf.co.uk) with your requirements. If you think you are able to distribute more than 200 leaflets to promote this show then please contact us on the email above.

## PUBLICITY

Our Marketing Department is very keen to receive photographs or images of products and/or any interesting stories that could be used in our publicity. Please email [sarak@ichf.co.uk](mailto:sarak@ichf.co.uk) or send by post to ICHF Events.

## STAND INVOICES

Please note that your invoice is due for payment by **20 MARCH**. To be fair to the majority of exhibitors who pay on time, late payments will be subject to a surcharge. The later the payment, the higher the rate.

## PAYMENT METHODS

By BACS or PayPal (see account details on sheet enclosed).

## MOBILE NETWORK COVERAGE/SIGNALS/WIFI – please read:

The venues chosen for our longstanding Outdoor Country Craft Shows are known to provide some difficulties with signal reception with some networks (GPRS/4G/Mobile etc). We are aware that many payment options require good reception; however GPRS/network signals are out of our control. Should you need advice/have any questions or concerns, we recommend to check with your network provider (most providers offer a signal map on their website) and/or contact the provider who issued the payment device you are planning to use.

We do provide free Wi-Fi at this event, however please do make sure your card machine can work using WIFI and not just GPRS signal

## ON SITE INFORMATION

### VEHICLE ACCESS

Please note that the entry point for build-up day is different from the entry used for open days – see enclosed map.

### VEHICLE PASS / UNLOADING

**A vehicle pass to be printed can be downloaded from the Exhibitor Zone.**

Please remember, all stands must be built on the Friday (0800 - 1900).

Please arrive by 1700 otherwise your site might be re-sold (remember to allow enough travel time; the M25 gets very busy.)

NO BUILDING UP ALLOWED ON SATURDAY.

### EXHIBITORS' DISPLAY AREA IN ENTRANCE

The entrance tent includes a display area of exhibitors' products; each exhibitor may submit one piece of work, preferably large and distinctive, to be displayed here. Your stand number will be placed next to the article.

Please take your articles to the entranceway between 1300 and 1700 on the build-up day, where Jane Bolsover will display them for you.

**No items accepted after 1700 Friday and NONE on Saturday**

**Please note:** A security guard will be present throughout the show and the tent sealed overnight, but ICHF will not accept any liability for loss or damage to products however caused.

### **ON-SITE ORDERS**

Any extras not pre-ordered are surcharged 15% and should be paid on site, but it is the responsibility of the exhibitor to make sure payment is made. We do not expect to have to chase exhibitors for these small amounts.

### **OTHER SHOWS' LEAFLETS**

You are welcome to hand leaflets to your customers at ICHF shows, ***but exhibitors may not place other organisers' leaflets on general display on table tops or in dispensers at our shows.*** ICHF almost definitely spends far higher sums on advertising and it seems unfair to ICHF that other events gain by general visitors being able to pick up leaflets easily.

### **CARAVAN & CAMPING**

Access is **NOT** possible until build-up day – full details are under 'Accommodation'.

### **ACCOMMODATION**

Caravan and camping pitches are chargeable and can be provided, if you have already booked your site it will be shown on the invoice, otherwise please return the enclosed order form immediately. Your "Camping Pass" will be handed to you on arrival. Toilet facilities will be available during the night. We also have hired a shower block. No use of generators in the camping areas between 2200 and 0800. No open fires. Sites will be surcharged if not pre-booked.

Vehicle access to the camp site is only available on open days from 0800 to 0930 and 1730 to midnight. The site is NOT open until build-up day.

For other accommodation please telephone the local tourist office on 01732 770929.

### **OVERNIGHT EMERGENCY ACCESS TO THE CARAVAN SITE**

Please note that the security guards will lock the gates through the adventure playground at midnight and reopen them at 0800. During this time if an emergency occurs please sound your horn and turn on your vehicle lights to alert the security guards in the show area. They will immediately respond and open the necessary gates for access in or out of the show area.

### **STAND AREA/ SIGNS**

Please remember that all your products, chairs, etc, must remain within your stand area for the duration of the show.

There must be no 'Sale' or 'Discounted' signs (including handwritten ones) used. Printed 'Show Offer' is permitted.

## **GENERAL INFORMATION**

### **LITTER**

We request exhibitors to deposit all their litter in the skips provided in the show area and camp site, leaving their stand completely clear on breakdown. Black plastic bags, at no charge, are available from our office on site.

### **EXHIBITORS' DOGS**

Dogs ARE allowed into the showground, but ARE NOT permitted inside the Food Hall or children's play area. This applies for exhibitors and visitors.

### **BUILD-UP CATERING**

Please note that there is no catering on build-up day in the show area, although the café is open in the house grounds and can be accessed by exhibitors.

### **EXHIBITORS PASSES**

Exhibitor badges will be issued on the build-up day.

### **DISMANTLING**

Dismantling time is from 1700 to 1900 on Monday.

### **ELECTRICITY SAFETY**

Please note that the light on your stand may be switched on in the morning before you arrive, and therefore it is important that any covers or sheets that you may put over your stock do not go over any lighting. The risk of fire may ensue.

### **USE OF LITHIUM BATTERIES**

For safety reasons, the use of battery packs to provide mains power to lighting, tills etc, is strictly prohibited within the exhibition halls. Lithium batteries present a significant fire and explosion risk if damaged, improperly handled, or exposed to heat.

### **COMPLIANCE AND ENFORCEMENT**

Exhibitors found to be in breach of this regulation may be required to immediately remove the offending items from the premises and may face suspension of stand activity until compliance is achieved. Continued non-compliance may result in expulsion from the event without refund or compensation. ICHF Events reserves the right to inspect exhibits and enforce this policy at any time in the interest of maintaining a safe environment for all participants.

### **SECURITY**

Security in the show area is provided by us from Friday- Monday (not including overnight on the Monday).

### **INSURANCE**

Insurance is the responsibility of individual exhibitors.

We look forward to receiving your order forms shortly, but if you have any queries, please do not hesitate to contact us.

Yours faithfully,

ICHF Team
